We tell you about the latest buzz in the hair industry!

## BATISTE

Batiste minis are curated to be the perfect size to pop into your gym bag or work bag for a quick-fix or a makeover on the go! The Batiste divine dark plus dry shampoo features a hint of colour, suitable for a quick colour refresh when you get your hair done before venturing out. This product blends beautifully and can be used on Indian hair tones to create the illusion of well-groomed colour fix for the festivities. Ideal for individuals who are not venturing out and still want to look put together!

## RÊVÉES CLIVE

Say hello to clean and healthy scalp with Rêvées Clive's active algae scalp cleanser. The dandruff cleanser purifies and protects the scalp leaving it clean and oil free, without stripping the hair's natural oils. It increases keratinocyte production of scalp/elafin and tones the scalp.

## SCHWARZKOPF PROFESSIONAL

Give your gorgeous curls the right treatment with Schwarzkopf Professional's first care and styling brand dedicated to curly textured hair—Mad about curls. The range is infused with cutting-edge aquarine complex—a combination of product-specific care ingredients that strengthen the hair, intensively moisturise it and provide heat protection. It also ensures less breakage and split ends. Go on, wrap every strand in a 'care shield' for touchable definition.

## SATVIK SPIRIT

Satvik Spirit's Encourage hemp seed hair oil is a non-sticky, non-greasy and fast-absorbing blend of 12 power-packed botanical oils like almond, argan, coconut, blackseed and others. It provides deep nourishment to the scalp, reduces hair fall, and gives softer, stronger and healthier hair after each use. It also nourishes the hair follicles, hydrates hair, reduces hair fall, prevents split ends and breakage during styling, hence making frizzy hair more manageable and naturally healing dry and damaged hair.

## TRIBE CONCEPTS

Give your scalp and strands the much-needed TLC and pampering with Tribe Concepts root strengthening and conditioning hair mask. Enriched with raw and promising ingredients like bhringraj, hibiscus and liquorice, the mask extensively helps in strengthening the hair from the roots and enhancing its texture and quality. It promotes hair growth and acts like an excellent hair conditioner too.

## SYSKA

The Syska HT900 Beard Pro is a waterproof trimmer that comes with two comb attachments for hair and beard and is compatible with micro USB cord. The stainless steel blades are soft on the skin and the trimmer is equipped with jog dial wheel with 40 length settings and 0.5mm precision. It comes with a fast charging technology and the charging indicator lets you know when it's time for a recharge. The trimmer can be used with a cord, as well as cordless for 120 minutes
